#### Basis Upon Which Winner Will Be Selected

A. All eligible Submissions will be judged by an expert panel of impartial judges (the "Judges") selected by the Sponsor. The internal panel will judge these Submissions on the criteria identified in these Official Rules to select finalist Submissions. Finalist Submissions will then be judged by the expert judging panel determined by the Sponsor. The judging panel is not required to test the Application and may choose to judge based solely on the text description and video provided in the Submission. him or herself from judging a Submission if the Judge, the Sponsor or the Administrator considers that it is inappropriate, for any reason, for the Judge to evaluate a specific Submission or group of Submissions.

C. A Contestant's likelihood of winning will depend primarily on the number and quality of all of the Submissions, as determined by the Judges using the criteria in these Official Rules. The judging period is May 30, 2016 at 10:00 a.m. Eastern Time through July 1, 2016 at 11:59 p.m. Eastern Time (the "Judging Period").

D. Criteria:

Judging Criteria:

b. Implementation of Idea (Includes how well the idea was implemented including the user experience, design and technical functionality).

c. Potential Impact (Includes the patient value and potential impact the application can have for individuals in recovery).

E. If deemed necessary by the judging panel, each of the top five finalists may be asked to participate in a virtual or in-person meeting with federal staff to discuss their Application and demonstrate its operation. The purpose of these meetings will be to further evaluate the Contestant's product, provide any additional information to SAMHSA, and clarify any concerns or questions raised by the review panel.

F. Tie Breakers. In the event of a tie between two or more Submissions, the panel of Judges will vote on the tied submissions.

G. The Sponsor reserves the right, in its sole discretion, to

a. cancel, suspend, or modify the Challenge, and/or

b. not award any prizes if no submissions are deemed worthy.

H. All decisions made by the Sponsor regarding adherence to contest rules are final.

(iii) The video portion of the Submission:

a. Should be no longer than five (5) minutes;

Submission may be disqualified at the Sponsor's and/or Administrator's sole discretion.

(v) Please provide a description of ideas for how you could promote the app if you are a prizewinner (350 words max).

### C. Content Requirements

(i) The Submission must only address insights provided.

(ii) The Submission must include the required information contained in the INSERT ASSET FILE NAME. This includes APIs and resources. The ASSET FILE NAME will indicate whether content is optional or required. Entries may not substantially alter the meaning, intent, or otherwise misrepresent the content in whole or in part. The intention of this clause is to ensure that the integrity of the content is maintained.

(iii) The Submission must target individuals in recovery from opioid misuse who are receiving outpatient medication-assisted treatment.

(iv) The submission features should be designed to encourage repeat usage of the app.

(vi) Applications must not collect or require input of end user email addresses within the Application.

(vii) The Prizewinners must offer the Application to the public for free for a

period of at least one (1) year. Each Application must be available free of charge for testing, evaluation and use by the Competition Sponsor, Administrator and judges during the Competition and until the Judging Period ends at 11:59 p.m. Eastern Time on July 1, 2016. (viii) Contestants must acknowledge, as a prerequisite to any subsequent acquisition by federal contract or other method, they may be required to make their product compliant with Section 508 accessibility and usability requirements at their own expense. Any electronic information technology that is ultimately obtained by HHS for its use, development, or maintenance must meet Section 508 accessibility and usability standards. Past experience has demonstrated that it can be costly for solution-providers to “retrofit” solutions if remediation is later needed. The HHS Section 508 Evaluation Product Assessment Template, available at [www.hhs.gov/od/vendors/index.html](http://www.hhs.gov/od/vendors/index.html), provides a useful roadmap for developers to review. It is a simple, Web-based checklist utilized by HHS officials to allow vendors to document how their products do or do not meet the various Section 508 requirements.

(ix) Submissions requiring approval from a third party, such as an app store, in order to be accessible to the public, must be submitted to such third party or app store for review before the end of the Competition Submission Period. and creativity, and the Contestant owns all rights to them.

(x) By entering a Submission, Contestant represents, warrants and agrees that the Submission (including, without limitation, the Application) is the original work of the Contestant and complies with the Official Rules.

Contestant further represents, warrants and agrees that any use of the Submission by the Sponsor, Administrator and/or Judges (or any of their respective partners, subsidiaries and affiliates) as authorized by these Official Rules, shall not:

a. Infringe upon, misappropriate or otherwise violate any intellectual property right or proprietary right including, without limitation, any statutory or common law trademark, copyright or patent, nor any privacy rights, moral rights nor any other rights of any person or entity; or

b. constitute or result in any misappropriation or other violation of any person's publicity rights or right of privacy.

**SUPPLEMENTARY INFORMATION:** In accordance with 24 CFR part 581 and section 501 of the Stewart B. McKinney Homeless Assistance Act (42 U.S.C. 11411), as amended, HUD is publishing this Notice to identify Federal buildings and other real property that HUD has

reviewed for suitability for use to assist the homeless. The properties were reviewed using information provided to HUD by Federal landholding agencies regarding unutilized and underutilized buildings and real property controlled by such agencies or by GSA regarding its inventory of excess or surplus Federal property. This Notice is also published in order to comply with the December 12, 1988 Court Order in *National Coalition for the Homeless v. Veterans Administration*, No. 88-2503-OG (D.D.C.).

Properties reviewed are listed in this Notice according to the following categories: Suitable/available, suitable/unavailable, and suitable/to be excess, and unsuitable. The properties listed in the three suitable categories have been reviewed by the landholding agencies, and each agency has transmitted to HUD: (1) Its intention to make the property available for use to assist the homeless, (2) its intention to declare the property excess to the agency's needs, or (3) a statement of the reasons that the property cannot be declared excess or made available for use as facilities to assist the homeless.

Properties listed as suitable/available will be available exclusively for homeless use for a period of 60 days from the date of this Notice. Where property is described as for "off-site use only" recipients of the property will be required to relocate the building to their own site at their own expense. Homeless assistance providers interested in any such property should send a written expression of interest to HHS, addressed to: Ms. Theresa M. Ritta, Chief Real Property Branch, the Department of Health and Human Services, Room 5B-17, Parklawn Building, 5600 Fishers Lane, Rockville, MD 20857, (301) 443-2265 (This is not a toll-free number.) HHS will mail to the interested provider an application packet, which will include instructions for completing the application. In order to maximize the opportunity to utilize a suitable property, providers should submit their written expressions of interest as soon as possible. For complete details concerning the processing of applications, the reader is encouraged to refer to the interim rule governing this program, 24 CFR part 581.

For properties listed as suitable/to be excess, that property may, if subsequently accepted as excess by GSA, be made available for use by the homeless in accordance with applicable law, subject to screening for other Federal use. At the appropriate time, HUD will publish the property in a

Notice showing it as either suitable/available or suitable/unavailable.

For properties listed as suitable/unavailable, the landholding agency has decided that the property cannot be declared excess or made available for use to assist the homeless, and the property will not be available.

Properties listed as unsuitable will not be made available for any other purpose for 20 days from the date of this Notice. Homeless assistance providers interested in a review by HUD of the determination of unsuitability should call the toll free information line at 1-800-927-7588 for detailed instructions or write a letter to Ann Marie Oliva at the address listed at the beginning of this Notice. Included in the request for review should be the property address (including zip code), the date of publication in the **Federal Register**, the landholding agency, and the property number.

For more information regarding particular properties identified in this Notice (*i.e.*, acreage, floor plan, existing sanitary facilities, exact street address), providers should contact the appropriate landholding agencies at the following addresses: GSA: Mr. Flavio Peres, General Services Administration, Office of Real Property Utilization and Disposal, 1800 F Street NW., Room 7040 Washington, DC 20405, (202) 501-0084; NASA: Mr. Frank T.
